Initial payment of \$999  
(1<sup>st</sup> month)

\$385/month  
(starting 2<sup>nd</sup> month)

- 4 transmitters
- 6 boxes of 4 sensors

## Advantages

- **KNOW MORE. PRICK LESS.<sup>™</sup>** - get all the information from up to 288 automatic glucose readings with **ONLY 2** fingerpricks a day!<sup>^</sup>
- **FREE** automatic shipment and **NO CREDIT CARD FEES.**\*\*

Sensors are indicated for 7 days consecutive use. Number of sensors on subscription are based on average customer purchase per annum. Additional sensors are available for purchase outside subscription offer.

## Offer available for a limited time only!

Dexcom G5<sup>®</sup> Mobile gives you glucose readings every 5 minutes<sup>1</sup> so you can see your highs, lows and how fast you're getting there. Better yet, customisable alerts and alarms help you respond quickly to, or avoid potentially dangerous hypoglycaemic events<sup>2</sup>.
